## **Greater Minnesota priorities gain traction with today's Senate announcement**

*Statement from CGMC President and Ely City Councilor Heidi Omerza on Senate's Greater Minnesota Initiatives*

“We are excited that leading rural Senators have embraced our proposals on key Greater Minnesota issues such as job training, workforce housing, broadband and the Business Development Public Infrastructure program. There is no doubt that we are seeing strong momentum being created behind an agenda that will bring jobs and economic growth to communities across Greater Minnesota. It's now critical that House Republicans, who campaigned on rural issues, join with the Senate to support these initiatives.”
