

# A failure to compromise is a failure for Greater Minnesota

If Governor Walz and the Legislature are unable to reach agreements on key bills this session, the residents and businesses in Greater Minnesota will pay the price.

## NO TAX BILL =

No increase in Local Government Aid, a vital program that helps cities pay for important services and restrain property taxes

## NO BONDING BILL =

No infrastructure improvements to water treatment facilities, colleges & universities and economic development projects in Greater Minnesota

## NO TRANSPORTATION BILL =

No road and bridge improvements in Greater Minnesota

**Tell the Governor & Legislature to work together to pass important legislation for Greater Minnesota. No butting heads!**
